

OZ DEMO PLACEHOLDER SOURCE DOCUMENT

Machine Concept / Spec Review Package

Customer: Russin Lumber

Prepared For: Field Sales Demo

Document Type: Fake source PDF for quote automation

Requested Package:

- Composite decking bundle for regional contractor program
- Hidden fastener system as recommended accessory
- Exterior trim option for upsell review

Known Constraints:

- Budget sensitive account
- Fast delivery requested
- Final dimensions not yet confirmed
- Delivery address missing

Assumptions For Demo:

- Standard delivery window used for rough estimate
- Quote requires rep review before customer delivery
- Oz should identify missing information before final pricing

AI Extraction Targets:

1. Requested products
2. Quantity assumptions
3. Pricing template selection
4. Missing customer information
5. Upsell and cross-sell suggestions

Replace this PDF with the real source document later.
